

# Invisalign<sup>®</sup> SPECIAL

- Have you dreamed of having straight teeth but didn't think you could afford it?
- Did you wear traditional braces as a teenager and now your teeth are crooked again?
- Does the thought of having a mouth full of metal deter you from even asking about straightening your teeth?

**Actual Patient**

Dr. Ruffino and his team can help you achieve a straight and beautiful smile without the metal and make it affordable to you. Dr. Ruffino has been treating Invisalign cases for over ten years. When you're in the office please ask to see our before and after photos, the results are incredible.

**NO MONEY  
DOWN**

**\$188**

**a month for 24  
months, 0% interest**

\*This offer valid when financed through Care Credit only. Restrictions apply. If adult orthodontic coverage is available, discounts will vary. Valid with Dr. Ruffino's office only. With coupon. Expires 4-30-18.
