Utilize Your 2015 Benefits

The end of the year is quickly approaching! So we are reminding you to schedule your cleaning and exam. This will help you to fully utilize your 2015 dental benefits and/or healthcare flexible spending account, which will expire at the end of December. Having Dr. Christine in our practice will help to ensure that all of our patients' needs are taken care of.

The health of our teeth and mouth are linked to overall health and well-being. By coming in for regular dental cleanings and exams, you can avoid future dental and health complications. This can result in overall savings for you and your family. Healthcare flexible spending accounts differ from your standard health insurance. Unlike your standard healthcare insurance, most dental benefits do not roll over to the following year. As such, any unused benefit dollars for 2015 will typically be lost. If you are uncertain about the status of your dental benefits, we will be happy to contact your dental carrier on your behalf.

Dr. Ruffino's staff is committed to the prevention of dental disease, and providing your family with quality care and service. Please call our office at (586)799-4240 for Dr. Ruffino's staff and someone will be happy to set up an appointment for you.

DENTAL IMPLANTS

Dr. Ruffino is pleased to now offer his patients placement of full size traditional dental implants. Dr. Ruffino has completed his training

and is having great success in placing the implants. Whether you are missing one tooth, wear a partial or denture, schedule an appointment to see if dental implants are an option for you.

UPDATES

We have teamed up with Allure medical spa to offer one lucky winner a makeover of a life time. The entire office is excited to participate in this offer. You can view Dr. Ruffino's video and the winner's progress on our facebook page (Frank P. Ruffino, PC and Associate) or website (fruffinodds.com). The final reveal will be some time in the spring.

Our new section has been open for over a year now, and has been working out great. If your appointment is with Dr. Ruffino, Margie or Cindy please feel free to park around the back of the building and enter at the new door.

10% OFF ALL PREVIOUS BALANCES

Pay your balance off by December 31st and receive a 10% discount. Call us to ask what your balance would be if you take advantage of this offer. You can mail your payment in or call us to pay it over the phone. This offer is only good toward previous balances, no new or future services and good until December 31st, 2016.

With best wishes for continued good dental health,
Frank Ruffino, D.D.S. and Staff

Fall 2015

LET US KNOW HOW WE'RE DOING

Please take a moment to review our office at www.fruffinodds.com/review. Dr. Ruffino and his staff are committed to providing excellent dental treatment to all of our patients. Thank you in advance for taking the time to complete this.

We need your help this fall

Dr. Ruffino and staff will be collecting personal hygiene items for the Vets Returning Home Program. Their program focuses on empowerment to create a self-sustaining lifestyle for each one. A big part of that is gainful employment. We will be collecting these items from through November 15th. Please bring your item or items to our office and give to one of our staff members. Your generosity will be greatly appreciated.

VETS RETURNING HOME

Some items needed are:

White towels, white wash clothes, hand soap, body soap, shampoo, conditioner, razors, shaving cream, toothbrushes, toothpaste, hair brushes, combs (**all need to be full size not trial size**), white socks and white underwear (any size), and white twin sheets and pillow cases. Feel free to learn more about the vets returning home program at www.vetsreturninghome.org.

\$50 New Patient Reward
*Good toward any co-pay after insurance has paid or any cosmetic treatment

Enclosed you will find a patient referral card. Please write your name on the back and give it to a friend or family member. When they come in to our office as a new patient they will receive \$50.00 off their co-pay or credit on their account for future treatment and we will send you a \$25.00 gift card for either shopping or dinner. The continued support and trust our patients place in us is the best compliment we could ask for.

Have you dreamed of having straight teeth but didn't think you could afford it?

Did you wear traditional braces as a teenager and now your teeth are crooked again?

Does the thought of having a mouth full of metal deter you from even asking about straightening your teeth?

Dr. Ruffino can help you achieve a straight and beautiful smile without the metal and make it affordable to you. Care Credit now has some great programs available specifically for Invisalign patients. These programs allow you to spread your payments out, if needed for up to 5 years, making it very affordable. Call us today to set up your complimentary Invisalign consultation.

Hygiene Corner

The hygienists are very excited to now offer their patients some great products through 3M. They have updated the products offered to include Clinpro 5000 toothpaste, Just for Kids toothpaste, Vanish 5% sodium fluoride white varnish, Vanish XT, and PerioMed a stannous fluoride rinse concentrate. These products will be utilized when there is an increased risk of cavities, gingivitis, periodontal disease or tooth sensitivity. The next time you are in ask your hygienist if one of these products will help to keep your mouth in optimal dental health.
